Cory Piche Receives \$1000.00 Kenneth R. Stiles Officiating Scholarship

The Kenneth R. Stiles – Flames Project 75 Officiating Scholarships are awarded annually by Hockey Canada to young men and women who participate in the Hockey Canada Officiating Program. The goal of the scholarship program is to provide financial assistance to help offset the cost of post-secondary education.

This year's Branch winner, **Cory Piche** is from Cornwall and is currently enrolled in his first year of a two-year program at Algonquin College where he is studying Recreation Facility Management. Corey has been officiating in the Branch for five years. He is a certified level IV referee and can be seen officiating at all levels of minor hockey up to and including AAA and Junior A, B and C games across the Branch.

The Kenneth. R. Stiles Scholarships, first announced in 2007 by the founding ownership group of the Calgary Flames, were named for the late Ken Stiles, a former president of the Flames Project 75. Over the past 30 years Flames Project 75, an oil and gas legacy from the Flames ownership group, has contributed more than \$5 million to hockey development initiatives across Canada.

The ODHA Board of Directors extends their congratulations to Cory, a very deserving recipient of this prestigious award and wishes him well in his studies.
