WORLD JUNIOR CHAMPIONSHIP PATCH PROGRAM CONTEST WINNER

“The Kemptville Inferno Novice B hockey club received an early Christmas gift this year as they were selected to represent the ODHA at the World Juniors IIHF Championship as the patch program winners. The team was extremely excited to go and get the first day of school off after New Years to watch a hockey game.

When they got off the chartered coach donated by Mike Healey from Valley Bus Lines in Kemptville, they were greeted by a camera crew from CBC Sports covering the Championships and got into the hockey spirit by whooping it up for the camera crew, the kids were in awe as they walked by the huge red Canadian maple leaf ice sculpture located outside the front door.

Once inside the Scotiabank Place they proceeded to make their way up to the fourth level suite which they had won as the prize, once inside the suite they were each given World Junior souvenir programs compliments of the ODHA .

After getting settled down inside the suite we ordered munchies, pizzas and drinks for the kids as they watched the Bronze medal game. All the kids were extremely excited to be there and it showed on their faces as they witnessed a once in a lifetime experience for some of them.

A special thanks from all the kids and coaches to the ODHA and Valley Bus Lines for a day they will never forget.”
